

Application No. 09/719,907
Amendment dated April 17, 2003
Reply to Office Action of December 18, 2002

Amendments to the Drawings:

The Examiner indicated that Figure 1 should be designated by a legend such as --Prior Art-- because only that which is old is illustrated. The attached sheet of drawings includes the addition of the legend --Prior Art-- to FIG. 1. The attached sheet, that includes FIGS. 1-4, replaces the original sheet including FIGS. 1-4.
